Right to Life
Michiana

Life is our most fundamental right and our most precious gift. Abortion and euthanasia end innocent human lives while shattering countless others physically, emotionally, and spiritually. Right to Life Michiana saves children, women, and men from the devastating effects of abortion and euthanasia and works to protect innocent human life from fertilization to natural death.

Overturing Roe v. Wade....

Pastor Janet Hernandez has sidewalk counseled at Whole Woman's Health since it opened in Summer 2019. One Friday, she called to a mom, "Your baby has 10 fingers and 10 toes. She would love a chance at life. You will be a great mom!" The mom returned the next day and sat in her car crying. After 20 minutes, she pulled out and told our counselors with a big smile, "It's ok. I've changed my mind." We've had 24 confirmed turnaways from the clinic this year.

Instead of bashing pro-choicers on social media, Katherine Becker, using skills gained from our Life Defenders Boot Camp, made a one on one connection. She submitted a letter to our 2020 Youth Essay Contest "Dear Mayor Pete", asking the former South Bend Mayor to see the value in all human life. Her winning essay was published in the National Catholic Register and mailed to former Mayor Pete. We mailed 52 letters to Mayor Pete from local students.

FRIENDS-

I'm very proud to be a part of the Pro-Life majority in the United States Senate. We are working with President Trump to protect our values, keep our economy growing, our entrepreneurs hiring and our courts true to our Constitution. I'm very proud to be joined by Senator Mike Braun in this effort.

I remain committed to our shared Pro-Life principles and those of limited government, free enterprise, and individual liberty. And I'm happy to report that we have confirmed two Supreme Court Justices. Along with Neil Gorsuch and Brett Kavanaugh, we have changed the face and future of America's courts by confirming more than 100 federal judges.
