

## Location Directions for Mishawaka Life Chain 2023

Here is a bird's-eye view of the Mishawaka Life Chain:

You may find parking along the street within the Eisenhower Drive neighborhood, including Forest Avenue, Benton Street, and West Eisenhower Drive.

Coming from Grape Road to the east, West Eisenhower Drive looks like this:

At the intersection of West Eisenhower Drive and Grape Road, you will find our team with a table and distributing signs in the location wherein the man is standing in the image below.

Upon receiving your sign, you may walk farther down the Grape Road sidewalk to stand more directly in front of the Planned Parenthood center, if there is room, as the woman is doing in the image below.

Be careful when crossing the street!

If you wish, you may also cross the street to stand on the sidewalk across from the Planned Parenthood center, as can be seen in the foreground (bottom-right) of the image below.

You may also walk farther south on the sidewalk of Grape Road to stand with your sign.

Please return to our sign-distributing table at the intersection of West Eisenhower Drive and Grape Road at 3:01 PM for a closing prayer.
